Kelly,

Just a few comments.

Thanks,

Matt

Attached is a draft for our comment letter regarding the I-73 project in SC. SCDOT has been very thorough in addressing all our concerns from our previous letter sent back in September. I believe the mitigation plan adequately compensates for the losses and since our previous RA told SCDOT we would not comment on anything other than mitigation back in 2011, I've recommended that our concerns have been addressed and we have no further comment.

Kelly Laycock
